COMMUNITY STANDARDS OF CONDUCT IN THE RESIDENCE HALLS

We want you to look back on your time in the residence halls with memories of success—good friends, good times, and good grades. Ohio State and University Housing have established guidelines to help students live together successfully. These rules and policies include Community Standards of Conduct, published here; Terms and Conditions and the Undergraduate, Graduate- Gateway and Family Housing Addendums, published in their entirety on the Housing website (housing.osu.edu); and the Code of Student Conduct, available at trustees.osu.edu/rules/code-of-student-conduct/, which applies to the conduct of all registered students and registered student organizations. For purposes of this document, residence halls include on-campus rooms, suites, apartments, Buckeye Village, and Gateway.

HOW THE COMMUNITY STANDARDS OF CONDUCT ARE APPLIED

University Housing Residence Life staff members, as well as the various governing bodies within the university, rely on Community Standards of Conduct as a guide to help define acceptable behavior on issues related to university and resident property or resident behavior. Residents who violate policies may be held accountable for their behavior, up to and including termination of their contract or housing agreement in accordance with the notice and hearing procedures set forth in the Code of Student Conduct and/ or the Ohio Revised Code 5321.031, "Termination of Student Tenant Rental Agreements." Once an alleged violation of policy is reported, the student(s) alleged to be involved is asked to meet with the housing director/coordinator (or assistant hall director) to discuss the violation. During this meeting, the administrator may determine whether an individual intervention, community intervention, or judicial hearing is warranted.

Residence hall officials may refer cases involving possible suspension or dismissal to the Office of Student Conduct. For more information regarding the Code of Student Conduct, visit <http://trustees.osu.edu/rules/code-of-student-conduct/>.

Handbook Policies

1. DAMAGES AND LIABILITY

1.1 University Liability

- (a) The university acknowledges, and the resident is hereby made aware, that criminal activity, personal injury, and theft occur, and the risk exists for such future occurrences on university premises, specifically within and around residence and dining hall facilities. Therefore, the resident agrees to assume responsibility for their own personal safety and security, as well as for their own personal belongings.
- (b) In order to reduce the financial burden of replacing personal belongings after such unexpected events, residents are strongly encouraged to obtain appropriate coverage, including renter's insurance. OSU does not endorse any specific insurance company and recommends that you consult with your current insurance provider regarding appropriate coverage options, including renter's insurance.
- (c) The university does not assume responsibility for any resident's, guest's, or other person's loss of money or valuables, or for the loss of or damage to property due to natural and unnatural causes (i.e. flooding, fire, etc.), or injuries, personal or otherwise, sustained on or about the residence and dining halls premises. As stated in the Housing Contract, the university encourages students to contact local insurance carriers concerning the availability of protecting against such losses.
- (d) Residents must pay charges for damages levied against them by University Housing. Residents who do not pay charges may be subject to university disciplinary action.

1.2 Resident Liability

- (a) Upon arrival, all residents of an apartment or room must complete an Electronic Room Condition Report (ERCR). The report documents the condition of items in the apartment/rooms. University property that is noted as damaged and that requires repair or replacement must be listed on the report.
- (b) The student or staff member, in order to initiate repair or replace damaged objects, must complete service requests. Service requests may be submitted online by selecting "Maintenance/Facilities Request" on the menu bar of the University Housing web page (housing.osu.edu).
- (c) Maintenance and housekeeping staff members repair, replace, or adjust university equipment or property. Residents are not permitted to do so.
- (d) All residents of an apartment/room are held mutually liable for damages to the apartment/room once occupancy is established.
- (e) An individual resident of an apartment/room is solely liable for damages to the apartment/room when individual responsibility for the damages can be clearly established.
- (f) Rooms, apartments or suites must be in the same condition upon resident departure as recorded in the ERCR.
- (g) Residents are responsible for locking their apartment/room doors. Residents may be held accountable for loss of personal belongings or university property if their apartment/room doors are not properly secured. Properly secured means the door is closed and locked.
- (h) Residents are held liable for damages to public and semipublic areas of the residence halls when individual or group responsibility for the damages can be clearly established. Residence hall elevators are considered part of the residence halls' public areas. Elevator tampering includes, but is not limited to, graffiti, pushing the emergency bell when there is no emergency, or purposely stopping the elevator by jumping or other means.
- (i) When individual or group responsibility for repeated or excessive damages to public areas of the residence halls cannot be established, all residents of the hall are held financially liable for those damages. This policy is in accordance with the Terms and Conditions of the Residence Halls Contract.
- (j) Residents who observe vandalism within and around University Housing and who do not report the vandalism to a housing staff member may also be held financially for the damages and subject to university disciplinary proceedings and/or criminal charges.
- (k) Damage charges to residents may include damage resulting from purposeful actions by residents or accidental damage. The university encourages students to contact local insurance carriers concerning the availability of protection against liability resulting from accidental damage to personal property, property of other residents and/or university property.

2. UNIVERSITY SERVICES, PROPERTY, APPLIANCES & EQUIPMENT

University services, property, appliances, and equipment are available to residents for their use while living on campus.

2.1 Keys

University room, apartment and suite keys are issued to the assigned occupants of the rooms, apartments or suites. Residents may not lend their keys to anyone. This includes both hard keys and electronic/ID key cards. Lost or missing keys must be reported as soon as possible to residence hall staff. If a key should be lost, the resident will be charged \$150 for a complete lock change to ensure safety and security. (See section 14 of the Terms and Conditions of the Residence Halls Contract.)

- (a) It is a violation of state statutes and university regulations to duplicate keys or key cards to any residence hall or commons area door.
- (b) Residents are financially responsible for the cost of changing locks and producing keys to residence hall doors and mailboxes if applicable if they do not return their residence hall keys when they check out of a residence hall.
- (c) Residents who accidentally lock themselves out of their apartments/rooms may borrow keys for a limited time by presenting their university identification at the residence hall front desk or the housing office. However, an unreasonable amount of lockouts per semester will result in charges to ensure resident security. In residence hall rooms with electronic key card access to private rooms, only 12 lockouts will be permitted. A 13th lockout will result in a \$150 charge for processing. The lockout allowance will reset following the issuance of the new key card.

2.2 University-Provided Room Furnishings and Appliances

- (a) Room, apartment or suite furnishings provided by the university may be arranged in any reasonable manner that does not endanger resident safety, with the exception that any furnishing bolted to a wall or floor, which must remain in its original position.
- (b) Room, apartment or suite furnishings provided by the university may not be transferred or interchanged among room, apartment, suite or public areas. Residents may be billed for missing furnishings upon checkout from the room, apartment or suite.
- (c) All university-provided appliances (combination microwave/refrigerator/ freezer and dishwashers where applicable) must be in the same working condition upon departure as they were upon arrival.

2.3 Telephone Service

The Office of the Chief Information Officer's (CIO) Telecommunications & Networking group offers local telephone service to residents living in certain undergraduate residence halls and other university-owned housing areas on the Columbus campus. In these locations, local telephone service is optional and must be ordered for an additional fee. Local telephone service includes:

- A phone number that can be dialed directly from off campus and touchtone dialing capability.
- Unlimited, free campus, local, and domestic long distance calling. (International calling is not included. If you need to place international long distance calls, the Office of the CIO offers inexpensive options. These options may be ordered at any time and are billed to the person ordering the service.)
- 9-1-1 access to University Police.
- NOTE: You need to provide your own telephone equipment.

To order local phone service and any of the available phone features, call (614) 688-HELP (4357) during business hours. You will receive a monthly bill for the optional phone services you have requested, with several ways to pay, including online credit card payments. When ordering local phone service, you will also need to complete a service request form. This form allows a technician access to your room or apartment to install your phone service. Service request forms are available online as part of the order process and at your residence hall desk or apartment rental office. Please allow approximately five (5) business days after receipt of your phone order for service to be installed. Even when no service is ordered, residents are financially responsible for vandalism, including damages to the telephone jack. The following are prohibited:

- (a) Tampering with or maliciously damaging any machine, appliance, or game equipment is prohibited.
- (b) The unauthorized use of laundry machine coin box keys or a BuckID account constitutes theft.

2.5 Windows and Doors

For reasons of safety and design, stops or seals on window screens and doors may not be loosened or removed. Residents will be assessed for the cost of window screens, stops, or seals that they damage or otherwise cause to be replaced. Nothing may hang or be thrown from a window (Refer to 3.4 (i) for more information on windows).

2.6 Theft

Theft, or the unauthorized use or possession of university property, services, resources, or the property of others is a serious offense—one that will be investigated and may be punished to the full extent of university policy and federal, state, and local laws and ordinances.

These policy guidelines were developed with consideration for resident needs and safety, as well as with consideration for the structural design of residence hall facilities.

3.1 Appliances

Residents may use some personal appliances within their rooms, apartments or suites, provided the appliances and their power cords carry Underwriters' Laboratory approval and are in good condition. 3.2 Technology Usage

The Ohio State University, through University Housing, provides network connection services in the residence halls and other university-owned housing facilities.

- (a) Use of this service is a privilege, and it is the responsibility of each user to utilize these services appropriately. By connecting a host/computer to ResNet, users are bound to and required to adhere to all aspects of The Ohio State University Policy on Responsible Use of University Computing Resources, found at ocio.osu.edu/sites/default/files/assets/Policies/Responsible-Use-of-University-Computing-and-Network-Resources-Policy.pdf, as well as any and all university, city, county, state, and federal regulations.

Included in such laws, rules, policies, contracts, and licenses is piracy or copyright infringement, as in the case of illegal downloading of music, software, etc.
- (c) In addition, users of ResNet at Ohio State are required to adhere to the following terms of acceptable use. Any actions that are deemed a violation of these policies may result in a termination of services, and/or monetary fine, and/or judicial or criminal sanctions.
- (d) Residents will refrain from abuse and excessive use of the finite resources and hosts connected to ResNet and the Ohio State network. Users will also refrain from abuse and excessive use of hosts and services outside of ResNet and Ohio State.
- (e) As the intent of ResNet is to provide residents with access to outside services, users will not attempt to run any unauthorized services.
- (f) Residents will not attempt to circumvent the ResNet firewall or any other established network services.
- (g) Residents will not modify or tamper with any ResNet network wiring, hardware, or jacks.
- (h) Residents are responsible for all network traffic originating from their host.

This includes, but is not limited to, taking video or photographic images in showers, residence hall rooms, and restrooms. The storing, sharing, and/or distributing of such unauthorized records by any means is also prohibited.
- (j) Residents may not bring or install satellite dishes in or on university and/or University Housing property.

3.3 Bicycles

Bicycles that residents bring to campus may be stored outdoors in one of the bicycle racks provided. In some halls, spaces called "Bike Rooms" are available for indoor bicycle storage. In halls without bike rooms, bikes are not permitted in the building. Bicycles may not be stored in individual rooms or suites.

3.4 Room Furnishings

Residents may add limited personal furnishings to their rooms or suites, provided that the furnishings neither restrict reasonable freedom of movement within shared living space nor endanger resident safety.

- (a) In certain residence halls it may be possible to loft university provided beds. Where this is available some bed types allow beds to be lofted using university equipment and some bed types will require students who desire to loft their bed to rent a bedloft through a specific company the university has designated. Residence hall furniture must remain in the room or suite even if it is not used as part of the loft. Housekeeping cannot store unused furniture.
- (b) Residents may carpet their rooms or suites if they are not carpeted.

- (j) All university-provided furniture must remain in the room/suite and in the same working condition upon departure as they were upon arrival.

3.5 Pets

Residents may keep goldfish or nonhazardous tropical fish, but other types of pets are not permitted in the residence halls at any time. Remember to plan for your fish over break periods. Hazardous pet fish, such as piranhas, are not permitted. Aquariums must be unplugged before you leave. The temperature of the water will fluctuate, thus putting your fish at risk. Aquariums must be 20- gallon capacity or less.

- (a) Service, Assistance, Emotional Support or Therapy Animals In Ohio State University Facilities
- The University has a general “no pets” policy in all of its buildings. Pets are allowed on the grounds when leashed and under control. Service Animals are generally allowed to accompany their handlers in any building or public space where their handlers are permitted. Emotional Support and Visiting Therapy animals may be allowed in specified areas of the University with advanced approval.

All animals are the responsibility of their handlers and should be under their control (in proximity to the handler and responsive to commands, in harness, leashed or in a carrier). An animal’s behavior is considered the handler’s behavior; the animal will be held to the same basic standard of conduct as their handlers. If they are disruptive to university business or community behavioral expectations for educational, medical and residential environments handlers may be asked to correct the animal’s behavior or remove it from the environment.

If you plan to live in a campus residence and utilize a Service Animal or Assistance Animal as you work with Housing Administration on arranging housing we ask that you provide a brief statement indicating:

- That you are a person with a disability and will be using a Service Animal;
- The primary service tasks the animal performs;
- All residents are required to provide documentation that they have had an appropriate medical exam and vaccinations; we ask the same of your service animal. Please submit a vaccination certificate or letter identifying your animal and indicating a clean bill of health and up to date vaccinations from your veterinary health provider.
- E-mail, Fax or Mail the statement to: Toni Greenslade, Director, Housing Administration, Greenslade-smith.1@osu.edu, 614-292-8266 phone, 614-292-6906 fax

If you have questions, would like assistance planning for a Service Animal on campus, need to arrange local veterinary care, or have a concern about your treatment and access when accompanied by your Service Animal contact the Ohio State University ADA Coordinator at ada-osu@osu.edu, 614-292-6207

If you have questions or need assistance with a Service Animal in Training on campus contact the ADA Coordinator at ada-osu@osu.edu, 614-292-6207

3.6 Exercise Equipment

Hand weights, free weights or other weight lifting equipment under 10 pounds may be used in resident apartments, rooms or suites. Other equipment can create safety, space, and facility concerns and is prohibited.

4. RESIDENT PRIVACY AND BEHAVIOR

4.1 Access to residence halls and apartments

The university will strive to provide a safe and secure housing for residents while respecting the residents’ rights to privacy, and every effort is made to ensure privacy in University Housing.

- (a) To ensure a safe and secure residential environment, all exterior residence hall doors are secured with a BuckID reader or key lock. Residents will have 24-hour access to the main residence hall doors of their hall/complex and may have limited access to auxiliary doors during the day. Residents have the privilege to visit residence halls other than their own (hall/complex) at limited times. The privilege to have access to residence halls may be revoked by University Housing staff professionals for noncompliance with the Community Standards of Conduct, Terms and Conditions and Addendums published in its entirety on the Housing website, and the Code of Student Conduct, available at studentlife.osu.edu/csc.
- (b) A designated university official has the right to enter any part of the university premises, with or without notice, to perform reasonable custodial, maintenance, and repair services, to recover university property, to inspect for damages or cleanliness, or in case of emergency. In University Housing, reasonable effort will be made to give a 24-hour notice before the service or inspection is performed. Please note that routine work and inspections occur during semester breaks.
- (c) A designated university official may enter and search university premises if there is reason to believe that the premises are being used for an illegal purpose or a purpose that violates health or safety regulations or interferes with normal university operation.
- Evidence found in such a search might be confiscated and used in disciplinary proceedings.
 - In University Housing, the designated university official shall be a housing coordinator, assistant housing coordinator, hall director, assistant hall director, or assistant/associate director of Residence Life. When a housing coordinator (or assistant housing coordinator) enters and searches any residence as provided for under this paragraph, reasonable efforts must be made to have present a resident of the room or apartment being searched. (See the Code of Student Conduct.)
- (d) Law officials may enter, search, and seize evidence in accordance with applicable law.

4.2 Alcohol

The legal drinking age in Ohio is 21. The university and University Housing comply fully with all federal, state, and municipal regulations regarding the sale, possession, and consumption of alcoholic beverages.

Storage

Some residents have an assigned storage area in a building basement and are responsible for securing the storage area with their own lock. To prevent unused storage areas from becoming "trash areas", we ask that residents secure their storage area regardless of whether or not it is being used. Each resident may store only in the bin assigned to their family. If a storage area is left unsecured and used as a trash area, the resident assigned to that storage bin will be responsible for cleaning the area or may be charged for the cost if Buckeye Village personnel clean the area. Subletting

Subletting is not permitted in Buckeye Village. Residents are not allowed to rent a Buckeye Village apartment for ANY length of time (i.e. 1 day, 1 month, 1 semester, 1 year, etc.).

Supervision of Minor Children

Ohio State expects parents or guardians to provide supervision over minors on campus unless they are involved in an activity or program with minors. Parents or guardians should not leave minors unsupervised on university property. **PLEASE NOTE: This includes all areas of Buckeye Village (all buildings, public spaces, playground, etc.) and during Buckeye Village programs.**

- Supervision means that an adult must be wherever the child(ren) are playing, attending a program, etc.
- A child(ren) cannot be outside playing in Buckeye Village while a parent/adult is inside (i.e.: in their apartment, the community center, etc.).

Please be aware that a Buckeye Village staff member may contact a parent if their child is unsupervised. If a parent cannot be located (i.e. because a child cannot tell staff where their parent is, etc.) then OSU Police may be contacted by staff to help locate parents.

Trash

Trash areas are provided in each court parking lot for residents' use. When disposing of garbage, please put trash in the dumpster and replace the lid. Never leave garbage sitting outside the dumpsters. Exposed garbage attracts insects, mice, rats, and other vermin, which present a serious health hazard to everyone. It is vitally important that all residents dispose of their trash properly to ensure everyone's health and safety. The city of Columbus typically empties the trash dumpsters in each court every week.

Buckeye Village encourages residents to recycle and provides a centralized location for residents to drop off their recyclables. For a complete list of all items that can be recycled please visit fod.osu.edu/recycling.

All apartments are wired for cable television. If you wish to subscribe for this service or receive more information, contact the Office of Chief Information Officer (OCIO) at 614-688-HELP or ocio.osu.edu. For repair service, contact OCIO at 614-688-4357 and report your name, address, phone number and the nature of the problem. You also need to complete a request form in the Village office to authorize the service worker's entry to your apartment.
