RESIDENTS’ RIGHTS 12

RESIDENTS’ RESPONSIBILITIES 12
COMMUNITY STANDARDS OF CONDUCT IN THE RESIDENCE HALLS

We want you to look back on your time at Molyet Village with memories of success—good friends, good times, and good grades. Ohio State and University Housing have established guidelines to help students live together successfully. These rules and policies include Community Standards of Conduct, published here; Terms and Conditions and Undergraduate Addendum, published in their entirety on the Housing website (housing.osu.edu); and the Code of Student Conduct, available at studentlife.osu.edu/csc, which applies to the conduct of all registered students and registered student organizations.

HOW THE COMMUNITY STANDARDS OF CONDUCT ARE APPLIED

University Housing staff members, as well as the various governing bodies within the university, rely on Community Standards of Conduct as a guide to help define acceptable behavior on issues related to university and resident property or resident behavior. Residents who violate policies may be held accountable for their behavior, up to and including termination of their contract or housing agreement in accordance with the notice and hearing procedures set forth in the Code of Student Conduct and/or the Ohio Revised Code 5321.031, “Termination of Student Tenant Rental Agreements.” Once an alleged violation of policy is reported, the student(s) alleged to be involved is asked to meet with the housing coordinator or designee to discuss the violation. During this meeting, the administrator may determine whether an individual intervention, community intervention or judicial hearing is warranted.

Residence hall officials may refer cases involving possible suspension or dismissal to the Office of Student Conduct. For more information regarding the Code of Student Conduct, visit trustees.osu.edu/rules/code-of-student-conduct/.
HANDBOOK POLICIES

1. DAMAGES AND LIABILITY

1.1 University Liability
   (a) The university acknowledges, and the resident is hereby made aware, that criminal activity, personal injury and theft occur, and the risk exists for such future occurrences on university premises, specifically within and around residence and dining hall facilities. Therefore, the resident agrees to assume responsibility for their own personal safety and security, as well as for their own personal belongings.
   (b) In order to reduce the financial burden of replacing personal belongings after such unexpected events, or accidental damage to the property of others, including university property, residents are strongly encouraged to obtain appropriate coverage, including renter’s insurance. Ohio State does not endorse any specific insurance company and recommends that you consult with your current insurance provider regarding appropriate coverage options, including renter’s insurance.
   (c) The university does not assume responsibility for any resident’s, guest’s or other person’s loss of money or valuables or for the loss of or damage to property due to natural and unnatural causes (i.e., flooding, fire, etc.) or injuries, personal or otherwise, sustained on or about the residence and dining halls premises. As stated in the Housing Contract, the university encourages students to contact local insurance carriers concerning the availability of protection against such losses.
   (d) Residents must pay charges for damages levied against them by University Housing. Residents who do not pay charges may be subject to university disciplinary action.

1.2 Resident Liability
   (a) Upon arrival, all residents of a room or apartment must complete an Electronic Room Condition Report (ERCR). The report documents the condition of items in the room or apartment. University property that is noted as damaged and that requires repair or replacement must be listed on the report.
   (b) The student or staff member, in order to initiate repair or replace damaged objects, must complete service requests. Service requests may be submitted online by selecting “Maintenance/Facilities Request” on the menu bar of the University Housing web page (housing.osu.edu).
   (c) Maintenance and housekeeping staff members repair, replace or adjust university equipment or property. Residents are not permitted to do so.
   (d) All residents of a room or apartment are held mutually liable for damages to the room or apartment once occupancy is established.
   (e) An individual resident of a room or apartment is solely liable for damages to the room or apartment when individual responsibility for the damages can be clearly established.
   (f) Rooms and apartments must be in the same condition upon resident departure as recorded in the ERCR.
   (g) Residents are responsible for locking their room or apartment doors. Residents may be held accountable for loss of personal belongings or university property if their room or apartment doors are not properly secured. Properly secured means the door is closed and locked.
   (h) Residents are held liable for damages to public and semipublic areas of apartment complex and grounds when individual or group responsibility for the damages can be clearly established. Residence hall elevators are considered part of the residence hall’s public areas. Elevator tampering includes, but is not limited to, graffiti, pushing the emergency bell when there is no emergency or purposefully stopping the elevator by jumping or other means.
   (i) When individual or group responsibility for repeated or excessive damages to public areas of the apartments cannot be established, all residents of the apartments are held financially liable for those damages. This policy is in accordance with the Terms and Conditions of the Housing Contract.
   (j) Residents who observe vandalism within and around Molyet Village and fail to report the vandalism to a housing staff member may be held financially liable for the damages and subject to university disciplinary proceedings and/or criminal charges.
   (k) Apartment residents are responsible for cleaning on a regular basis. To ensure health and well-being and to protect the condition of the apartment, residents should conduct routine cleaning, with special attention to food preparation areas, bathrooms and trash containers.
   (l) Residents may be charged for damages, including damage resulting from the resident’s acts or omissions, whether accidental or not. The university encourages students to contact local insurance carriers concerning the availability of protection against liability resulting from accidental damage to personal property, property of other residents and/or university property.

(a) Service, Assistance, Emotional Support or Therapy Animals in Ohio State University Facilities

- The University has a general "no pets" policy in all of its buildings. Pets are allowed on the grounds when leashed and under control. Service Animals are generally allowed to accompany their handlers in any building or public space where their handlers are permitted. Emotional Support and Visiting Therapy animals may be allowed in specified areas of the University with advanced approval.

All animals are the responsibility of their handlers and should be under their control (in proximity to the handler and responsive to commands, in harness, leashed or in a carrier). An animal's behavior is considered the handler's behavior; the animal will be held to the same basic standard of conduct as their handlers. If they are disruptive to university business or community behavioral expectations for educational, medical and residential environments handlers may be asked to correct the animal's behavior or remove it from the environment.

If you plan to live in a campus residence and utilize a Service Animal or Assistance Animal as you work with Housing Administration on arranging housing we ask that you provide a brief statement indicating:

- That you are a person with a disability and will be using a Service Animal;
- The primary service tasks the animal performs;
- All residents are required to provide documentation that they have had an appropriate medical exam and vaccinations; we ask the same of your service animal. Please submit a vaccination certificate or letter identifying your animal and indicating a clean bill of health and up to date vaccinations from your veterinary health provider.

- E-mail, Fax or Mail the statement to: Toni Greenslade-Smith, Director, Housing Administration, Greenslade-smith.1@osu.edu, 614-292-8266 phone, 614-292-6906 fax

If you have questions, would like assistance planning for a Service Animal on campus, need to arrange local veterinary care or have a concern about your treatment and access when accompanied by your Service Animal contact the Ohio State University ADA Coordinator at ada-osu@osu.edu, 614-292-6207

If you have questions or need assistance with a Service Animal in Training on campus contact the ADA Coordinator at ada-osu@osu.edu, 614-292-6207

Other equipment can create safety, space and facility concerns and is prohibited, including equipment that attaches to or may impact the structure of the space or facility as determined by Residence Life.

3.7 Trash

Residents must properly dispose of all room or apartment trash, including all recyclables, in university-provided dumpsters located outside the apartments. To avoid attracting insects and creating unpleasant odors, residents are expected to routinely remove trash to dumpsters. (g) All cords must be covered with a shield to reduce the risk of trips. Lengths of shielding are available from the Molyet Village Office.

(h) Cords must be plugged into external outlets and cannot be run under doors or out windows.
