COMMUNITY STANDARDS OF CONDUCT IN THE RESIDENCE HALLS

We want you to look back on your time in the residence hall with memories of success—good friends, good times and good grades. Ohio State and University Housing have established guidelines to help students live together successfully. These rules and policies include Community Standards of Conduct, published here; Terms and Conditions and Undergraduate Addendum, published in their entirety on the Housing website (housing.osu.edu); and the Code of Student Conduct, available at studentlife.osu.edu/csc, which applies to the conduct of all registered students and registered student organizations.

HOW THE COMMUNITY STANDARDS OF CONDUCT ARE APPLIED

University Housing staff members, as well as the various governing bodies within the university, rely on Community Standards of Conduct as a guide to help define acceptable behavior on issues related to university and resident property or resident behavior. Residents who violate policies may be held accountable for their behavior, up to and including termination of their contract or housing agreement in accordance with the notice and hearing procedures set forth in the Code of Student Conduct and/or the Ohio Revised Code 5321.031, "Termination of Student Tenant Rental Agreements." Once an alleged violation of policy is reported, the student(s) alleged to be involved is asked to meet with the housing coordinator or designee to discuss the violation. During this meeting, the administrator may determine whether an individual intervention, community intervention or judicial hearing is warranted.

Residence hall officials may refer cases involving suspected violations of these standards to the Office of Student Conduct. For more information regarding the Code of Student Conduct, visit trustees.osu.edu/rules/code-of-student-conduct/.

RESIDENTS' RIGHTS

As members of the residential community, you have the right to expect the following:

- The ability to sleep, read and study, free from undue interference, unreasonable noise, and other distractions.
- Personal privacy within the limits of the residence halls.
- A clean living environment.
- Freedom from harassment, including sexual harassment, as defined in University Policies 1.10 and 1.15, so sufficiently severe, persistent, or pervasive such that it unreasonably interferes with, denies, or limits an individual's ability to participate in or benefit from the university's education and employment programs and activities.
- Assistance and support resources from housing staff.

RESIDENTS' RESPONSIBILITIES

As members of the residential community, you have the responsibility to:

- Help maintain an environment conducive to academic pursuit.
- Treat fellow residents and housing staff with respect, consideration and cooperation.
- Accord every resident personal dignity and report incidents of racial or other discrimination or harassment to housing staff.
- Understand and comply with all university and housing policies and regulations.
- Resolve personal and community issues in a calm and diplomatic manner.
- Take action by addressing any situation with a housing staff member or a fellow resident (if you feel comfortable) when it interferes with your rights or the rights of others.

Handbook Policies

1. DAMAGES AND LIABILITY

1.1 University Liability

- (a) The university acknowledges, and the resident is hereby made aware, that criminal activity, personal injury, and theft occur, and the risk exists for such future occurrences on university premises, specifically within and around residence and dining hall facilities. Therefore, the resident agrees to assume responsibility for their own personal safety and security, as well as for their own personal belongings.
- (b) In order to reduce the financial burden of replacing personal belongings after such unexpected events, or accidental damage to the property of others, including university property, residents are strongly encouraged to obtain appropriate coverage, including renter's insurance. Ohio State does not endorse any specific insurance company and recommends that you consult with your current insurance provider regarding appropriate coverage options, including renter's insurance.
- (c) The university does not assume responsibility for any resident's, guest's or other person's loss of money or valuables or for the loss of or damage to property due to natural and unnatural causes (i.e., flooding, fire, etc.) or injuries, personal or otherwise, sustained on or about the residence and dining halls premises. As stated in the Housing Contract, the university encourages students to contact local insurance carriers concerning the availability of protection against such losses.
- (d) Residents must pay charges for damages levied against them by University Housing. Residents who do not pay charges may be subject to university disciplinary action.

1.2 Resident Liability

- (a) Upon arrival, all residents of a room or apartment must complete an Electronic Room Condition Report (ERCR). The report documents the condition of items in the room or apartment. University property that is noted as damaged and that requires repair or replacement must be listed on the report.
- (b) The student or staff member, in order to initiate repair or replace damaged objects, must complete service requests. Service requests may be submitted online by selecting "Maintenance/Facilities Request" on the menu bar of the University Housing web page (housing.osu.edu).
- (c) Maintenance and housekeeping staff members repair, replace or adjust university equipment or property. Residents are not permitted to do so.
- (d) All residents of a room or apartment are held mutually liable for damages to the room or apartment once occupancy is established.
- (e) An individual resident of a room or apartment is solely liable for damages to the room or apartment when individual responsibility for the damages can be clearly established.
- (f) Rooms and apartments must be in the same condition upon resident departure as recorded in the ERCR.
- (g) Residents are responsible for locking their room or apartment doors. Residents may be held accountable for loss of personal belongings or university property if their room or apartment doors are not properly secured. Properly secured means the door is closed and locked.
- (h) Residents are held liable for damages to public and semipublic areas of the residence hall when individual or group responsibility for the damages can be clearly established. Residence hall elevators are considered part of the residence halls' public areas. Elevator tampering includes but is not limited to, graffiti, pushing the emergency bell when there is no emergency or purposely stopping the elevator by jumping or other means.
- (i) When individual or group responsibility for repeated or excessive damages to public areas of the residence hall cannot be established, all residents of the hall are held financially liable for those damages. This policy is in accordance with the Terms and Conditions of the Housing Contract.
- (j) Residents who observe vandalism within and around University Housing and fail to report the vandalism to a housing staff member may be held financially liable for the damages and subject to university disciplinary proceedings and/or criminal charges.
- (k) Apartment residents are responsible for cleaning on a regular basis. To ensure health and well-being and to protect the condition of the apartment, residents should conduct routine cleaning, with special attention to food preparation areas, bathrooms and trash containers.
- (l) Residents may be charged for damages, including damage resulting from the resident's acts or omissions, whether accidental or not. The university encourages students to contact local insurance carriers concerning the availability of protection against liability resulting from damage to personal property, property of other residents and/or university property.

2. UNIVERSITY SERVICES, PROPERTY, APPLIANCES AND EQUIPMENT

University services, property, appliances and equipment are available to residents for their use while living on campus.

21 Keycards/Building Access Cards

University room, apartment and suite keycards/building access cards are issued to the assigned occupants of a room, suite or apartment. Residents may not lend their keycard/building access card to anyone. This includes both hard keys and electronic/ID keys. Lost or missing key cards must be reported as soon as possible to residence hall staff.

- (a) Residents who accidentally lock themselves out of their rooms or apartments may borrow a loaner keycard for a limited time by presenting their university identification at the housing office.
- (b) It is a violation of state statutes and university regulations to duplicate keys or key cards to any residence hall or common area door.
- (c) Residents who accidentally lock themselves out of their apartments/rooms may borrow key card for a limited time by presenting their university identification at the residence hall front desk or the housing office. However, an unreasonable amount of lockouts will result in charges to ensure resident security. In residence hall rooms with brass key access and electronic key card access, only 12 lockouts will be permitted. A 13th lockout will result in a \$150 charge for processing. The lockout allowance will reset following the issuance of the fee being assessed. As stated in the automated electronic confirmation email, failure to return a loaner card issued by the front desk within 30 minutes will result in a \$30 fee.
- (d) Temporary BuckID's are available at your assigned building's front desk in case a resident loses their BuckID outside of the normal business hours for the BuckID office. (Go to www.buckid.osu.edu for additional information.) Temporary BuckID's are active for a maximum of 72 hours. Residents must visit the BuckID office during this time to have their ID replaced. A resident will not be issued multiple temporary ID's for the same loss. As stated in the automated electronic confirmation email, failure to return the temporary ID within 72 hours to the front desk in which the card was issued will result in a \$30 fee.
- (e) Temporary BuckID's may be activated for a maximum of 72 hours to facilitate a move of a resident. Failure to return the temporary ID within 72 hours to the front desk in which the card was issued will result in a \$30 fee.
- (f) Locks may not be changed or added without prior written permission of University Housing. Locks must be left in place upon vacating the premises.

22 University-Provided Room Furnishings and Appliances

- (a) Room, apartment or patio furnishings provided by the university may be arranged in any reasonable manner that does not endanger resident safety, with the exception that any furnishing bolted to a wall or floor, which must remain in its original position. This includes closet and bedroom doors.
- (b) Room or apartment furnishings provided by the university may not be transferred or interchanged among rooms, apartments or public areas. Residents may be billed for missing furnishings upon checkout from the room or apartment.

Please report inoperable machines or appliances to residence hall staff.

- (a) Tampering with or maliciously damaging any machine, appliance or game equipment is prohibited.

25 Windows and Doors

For reasons of safety and design, stops or seals on window screens and doors may not be loosened or removed. Residents will be assessed for the cost of window screens, stops or seals that they damage or otherwise cause to be replaced. Nothing may hang or be thrown from a window. (Refer to 3.4(h) for more on windows)

26 Theft

Theft, or the unauthorized use or possession of university property, services, resources, or the property of others is a serious offense — one that will be investigated and may be punished to the full extent of university policy and federal, state and local laws and ordinances.

- (a) Theft of university services includes, but is not limited to, the unauthorized use of university long distance service, network access, cable/philos accounts and BuckID accounts or services.

3. PERSONAL PROPERTY, APPLIANCES AND EQUIPMENT

Residents may bring some personal property, appliances and equipment to campus for use in their rooms or apartments, provided that such property, appliances and equipment do not endanger resident safety, restrict reasonable freedom of movement within shared living space and do not violate the policy guidelines outlined below. These policy guidelines were developed with consideration for resident needs and safety, as well as with consideration for the structural design of residence hall facilities.

31 Appliances

Residents may use some personal appliances within their rooms or apartments, provided the appliances and their power cords carry Underwriters' Laboratory approval and are in good condition. Power cords and appliances must be in good working order for the safety of all residents and facilities.

However, they may be charged in private rooms only if the device has been certified by the Underwriters' Laboratory (UL). Additionally, follow these guidelines for all lithium battery self-balancing personal transportation devices:
 - Observe charging of device at all times and do not charge overnight
 - Do not charge a device overnight or in a separate room where one cannot observe it at all times
 - Charge and store in an open, dry area away from combustible materials
 - Do not charge directly after riding; first allow the device to cool

All flights must have prior university permission as per policy.

32 Discarding of Personal Property

- (a) Any items, including but not limited to personal property, left behind will be stored on a temporary basis for 14 days and then discarded if not retrieved by the resident.

Included in such laws, rules, policies, contracts and licenses is piracy or copyright infringement, as in the case of illegal downloading of music, software, etc.
- (c) In addition, users of ResNet at Ohio State are required to adhere to the following terms of acceptable use. Any actions that are deemed a violation of these policies may result in a termination of services, and/or monetary fine and/or judicial or criminal sanctions.
- (d) Residents will refrain from abuse and excessive use of the finite resources and hosts connected to ResNet and the Ohio State network. Users will also refrain from abuse and excessive use of hosts and services outside of ResNet and Ohio State.

The storing, sharing and/or distributing of such unauthorized records by any means is also prohibited.

- (j) Residents may not bring or install satellite dishes in or on university and/or University Housing property.

34 **Bicycles**

Bicycles or personal mobility devices (owned or otherwise) larger than a skateboard may be stored outdoors in one of the bicycle racks provided. Bicycles or personal mobility devices larger than a skateboard may not be stored in individual rooms or suites or ever ridden in the building.

- (a) Lofts are prohibited.
- (b) Residents may carpet their rooms or apartments if they are not already carpeted.

Residents may keep goldfish or nonhazardous tropical fish, but other types of pets are not permitted in the residence halls at any time. Remember to plan for your fish over break periods. Hazardous pet fish, such as piranhas, are not permitted. Aquariums must be unplugged before you leave. The temperature of the water will fluctuate, thus putting your fish at risk. Aquariums must be 20- gallon capacity or less.

- (a) **Service, Assistance, Emotional Support or Therapy Animals In Ohio State University Facilities**
- The University has a general “no pets” policy in all of its buildings. Pets are allowed on the grounds when leashed and under control. Service Animals are generally allowed to accompany their handlers in any building or public space where their handlers are permitted. Emotional Support and Visiting Therapy animals may be allowed in specified areas of the University with advanced approval.

All animals are the responsibility of their handlers and should be under their control (in proximity to the handler and responsive to commands, in harness, leashed or in a carrier). An animal's behavior is considered the handler's behavior; the animal will be held to the same basic standard of conduct as their handlers. If they are disruptive to university business or community behavioral expectations for educational, medical and residential environments handlers may be asked to correct the animal's behavior or remove it from the environment.

If you plan to live in a campus residence and utilize a Service Animal or Assistance Animal as you work with Housing Administration on arranging housing we ask that you provide a brief statement indicating:

- That you are a person with a disability and will be using a Service Animal;
- The primary service tasks the animal performs;
- All residents are required to provide documentation that they have had an appropriate medical exam and vaccinations; we ask the same of your service animal. Please submit a vaccination certificate or letter identifying your animal and indicating a clean bill of health and up to date vaccinations from your veterinary health provider.
- E-mail, Fax or Mail the statement to: Toni Greenslade-Smith, Director, Housing Administration, Greenslade-smith.1@osu.edu, 614-292-8266 phone, 614-292-6906 fax

If you have questions, would like assistance planning for a Service Animal on campus, need to arrange local veterinary care, or have a concern about your treatment and access when accompanied by your Service Animal contact the Ohio State University ADA Coordinator at ada-osu@osu.edu, 614-292-6207

If you have questions or need assistance with a Service Animal in Training on campus contact the ADA Coordinator at ada-osu@osu.edu, 614-292-6207

37 **Exercise Equipment**

- (a) Hand weights, free weights or other weight lifting equipment under 10 pounds may be used in resident rooms or apartments.
- (b) Other equipment can create safety, space and facility concerns and is prohibited,— including equipment that attaches to or may impact the structure of the space or facility as determined by Residence Life.

38 **Trash**

Residents must properly dispose of all room or apartment trash in university-provided dumpsters located outside of the residence hall. Residents found to be improperly disposing of trash may be charged for its cleanup and removal. To avoid attracting insects and creating unpleasant odors, residents are expected to routinely remove trash to the dumpsters. Excessive trash kept within rooms or apartment may lead to removal and cleanup charges.

4. RESIDENT PRIVACY AND BEHAVIOR

41 **Access to residence halls and apartments**

The university will strive to provide a safe and secure housing for residents while respecting the residents' rights to privacy, and every effort is made to ensure privacy in University Housing.

- (a) To ensure a safe and secure residential environment, all exterior residence hall doors are secured with a BuckID reader or key lock. Residents will have 24-hour access to the main residence hall doors of their hall/complex and may have limited access to auxiliary doors during the day. Residents have the privilege to visit residence halls other than their own (hall/complex) at limited times. The privilege to have access to residence halls may be revoked by University Housing staff professionals for noncompliance with the Community Standards of Conduct, Terms and Conditions published in its entirety in the Residence Halls contact, and the Code of Student Conduct, available at studentlife.osu.edu/csc.
- (b) A designated university official has the right to enter any part of the university premises, with or without notice, to perform reasonable custodial, maintenance and repair services, to recover university property, to inspect for damages or cleanliness or in case of emergency. In University Housing, reasonable effort will be made to give a 24-hour notice before the service or inspection is performed. Please note that routine work and inspections occur during semester breaks. A designated university official may enter and search university premises if there is reason to believe that the premises are being used for an illegal purpose or a purpose that violates health or safety regulations or interferes with normal university operation.
 - Evidence found in such a search might be confiscated and used in disciplinary proceedings.
 - In University Housing, the designated university official shall be a housing coordinator, assistant housing coordinator, hall director, assistant hall director or assistant/associate director of residence life.. When a housing coordinator enters and searches any residence as provided for under this paragraph, reasonable efforts must be made to have present a resident of the room or apartment being searched. (See the Code of Student Conduct.)
- (c) Law officials may enter, search and seize evidence in accordance with applicable law.
