1. **Contract Offer and Acceptance**
   Resident acknowledges that, in addition to the terms of this Addendum, the resident is bound during the contract term by the Terms & Conditions and Residential Living Handbook.

2. **Contract Duration**
   A. Contracts may begin at any time at Buckeye Village, but expire on May 15th each year. Residents have the option to renew their contracts for the following year (May 16th to May 15th).
   B. The contract will continue in full force until May 15th unless the resident withdraws from classes or graduates from the university and submits an “Intent to Vacate” form to the University. The “Intent to Vacate” form, available at the Buckeye Village Office, must be on file at the Buckeye Village office at least 45 days before the end of classes for the term the resident is graduating or withdrawing.
   C. If the resident gives less than the required 45 days’ notice of intent to vacate, rent will be charged for 45 days from the date the vacancy notice is received by the Buckeye Village office. In the event that the resident gives more than 45 days’ notice of intent to vacate, rent will be charged through the date on which the apartment is vacated and keys returned.
   D. If graduating, the date on which the resident indicates they will vacate the premises shall be no later than seven (7) calendar days after commencement.
   E. If the resident has not checked into the contracted apartment by 3:00 PM of the start date of the contract, the apartment will be automatically reassigned unless the resident has notified the University Housing Office in writing that he/she will be checking in at a later time or date.

3. **Terms of Contract**
   A. The apartment shall not be used for unlawful purposes, for any purpose contrary to federal, state, or university guidelines, or in such a manner as to constitute a nuisance or annoyance to the residential community.
   B. The university reserves the right to relocate residents pursuant to Section 22 of the Terms and Conditions to other apartments in order to comply with local, state and federal law.

4. **Utilities**
   A. The university agrees to provide reasonable amounts of heat, water and waste disposal consistent with university policies during the contract services period.
   B. The university agrees to provide internet in the assigned apartment and to include the monthly local service charge in the rent fee.
   C. Residents will be responsible for obtaining and paying directly for all other utilities, including, without limitation, electricity, telephone and cable services.

5. **Rent and Payments**
   A. Rent will be charged and prorated from the date on which the resident picks up the apartment key or from the start date of the contract, whichever date is earlier, in accordance with Section 5.D.
   B. All monthly rent payments are due on or by the first day of each month.
   C. All rents are payable to The Ohio State University. Payments may be made with Visa/MasterCard/Discover/American Express online or by phone and will include a $2 credit card processing fee. Payments may be made in person by personal check, traveler’s check, money order, cash, or Visa/MasterCard/Discover/American Express without any processing fee. Payments may also be mailed to: University Housing, 350 Morrill Tower, 1910 Cannon Drive, Columbus, Ohio, 43210-1290.
   D. Rent charges for occupancy less than a full month shall be computed on the basis of a daily charge equal to 1/30 of the monthly rent times the number of days that the resident and/or his/her belongings occupy the apartment.

6. **Delinquent Payments**
   A. If rent payment is not made by 5:00 PM on the fifth business day of the month, it will be considered delinquent. Beginning at 5:00 PM, on the fifth business day of the month, a late penalty of $15 will be imposed in addition to the rent, plus an additional $2 for each day thereafter, up to a maximum late penalty of $25.
B. If the resident’s payment by personal check is returned by the bank for insufficient funds, a $30 processing fee will be charged.

C. Residents whose rent payments have been returned three times for insufficient funds in checking accounts or declined credit cards will be required to pay future rent by money order.

D. The university shall have the right to repossess the apartment should the resident’s rent be in arrears and remain unpaid for 30 days after the receipt of notice of default. The resident agrees to recover any deficiency in rent and expenses for any damages that the university may have sustained as a result of the resident’s use and occupancy of the apartment.

E. If a charge assessed to a credit card is challenged by the resident and, after research, is deemed valid, a $30 charge will be assessed to recover research/processing time.

F. Payments delinquent for more than 30 days or remains due upon departure will be billed to the resident’s university account. A hold may also be placed upon the resident’s student records until the resident provides payment to the university.

7. Security Deposit
   A. Upon acceptance of his/her contract in Buckeye Village, the resident shall pay a security deposit equal to one month’s rent.
   B. Upon proper termination of the contract, the security deposit will be applied to the resident’s rent charges for the final month of the resident’s contract.
   C. The resident agrees that upon vacating the apartment, he/she will be held financially accountable for any unpaid rent owed by the resident as well as for the cost of repairs and/or cleaning the apartment, beyond reasonable wear and tear.
   D. The resident’s liability to the university for damages shall not be limited to any amount.
   E. If there are no damages or losses, the resident’s security deposit shall be applied to the last month’s rent. Notwithstanding any such application, the resident shall remain liable for all damages and losses and all rent and other payments accrued through the termination date of their contract. Failure to discharge all such liabilities will result in the denial of further registration and enrollment with the university and of graduation and with the placement of a financial hold on the resident’s student records, including transcripts.
   F. The university will provide the resident with a written itemized list of any amounts applied for the above purposes and will return any overpaid fees after the termination of the contract and delivery of the apartment back to the university.
   G. Should the resident break the contract prior to the start date, the security deposit will be forfeited. Where the resident has forfeited their security deposit under this Section, the resident shall also be charged monthly rent until the apartment can be reassigned to a new resident. Reasonable effort will be made to reassign all vacant apartments as soon as possible.

8. Activity Fee

E. Requests for maintenance service by the resident will constitute authorization to enter the apartment.

F. The university will conduct fire/safety/health and preventative maintenance inspections periodically.

   A. At check-in, a resident named on the apartment contract will be given:
      i. One apartment key and

   B. An additional key may be requested in writing by resident for any other resident whose name appears on the apartment contract.
   C. Residents are responsible for the security of the keys.

If Buckeye Village staff needs to let the resident into his/her apartment when the Buckeye Village office is closed, the resident will be assessed a $25 fee.

13. Inventory
   A. Upon picking up keys to his/her apartment, the resident will be emailed a Room Condition Report that he/she must complete and submit online no later than a week after the move-in date. The form should be completed carefully with damages recorded before occupancy.
   B. All damages not listed on the Room Condition Report will be charged to the resident when the apartment is vacated.

16. Surrender of Premises
   A. All apartments must be inspected for damages and cleanliness prior to the resident’s departure. An appointment for this inspection will be made with the resident.

E. If no prior permission for an extension of the vacate date was given by the Buckeye Village office or University Housing, the university reserves the right to force the removal of a resident in the case that an apartment has already been rented to a new resident, or to assess the resident $50 per day holdover charge.
