

# WILL IT BE YOU WHO ENGAGES IN LEARNING BEYOND THE CLASSROOM?

## LEARNING COMMUNITIES AT A GLANCE

### JOHN GLENN CIVIC LEADERSHIP

For all students who aspire to make a difference in the world and have an interest in public policy, politics, civic engagement, leadership and service.

### INTERNATIONAL HOUSE

For students interested in being a part of learning opportunities that emphasize how to be aware and active in an increasingly global society.

### SUSTAINS

For students interested in becoming leaders in sustainability, personally and professionally, by fostering connections with others and learning how sustainable actions impact society.

### GLOBAL BUSINESS

For first-year students interested in exploring the increasingly globalized world of business. Part of the FisherDirect Initiative.

### VISUAL & PERFORMING ARTS

For all students passionate about one or more dimensions of the arts (music, theater, art, design and dance) and engaging with them in a community setting.

### FIRST YEAR COLLEGIAN

For first-year students interested in connecting to involvement opportunities and campus resources, developing leadership skills and participating in community service.

### MORRILL SCHOLARS PROGRAM

For first and second-year students in the Office of Diversity and Inclusion Morrill Scholarship Program who are interested in social justice, participating in regular civic engagement activities and developing leadership skills for advocacy.

### EXPLORATION

For first-year students who want to explore options and develop plans to meet their academic, personal and career aspirations.

### FOOD, AGRICULTURAL, AND ENVIRONMENTAL SCIENCES

For students whose majors are in food, agricultural and/or environmental sciences and who seek to enhance their leadership, communication and teamwork skills.

OFFICE OF STUDENT LIFE  
RESIDENCE LIFE

### SOPHOMORE LEARNING & INVOLVEMENT COMMUNITY

For second-year students (including campus change students) interested in connecting to other sophomores, Ohio State and Columbus through leadership development, self-reflection and career preparation.

### ENGINEERING HOUSE

For all engineering students who want hands-on experience and opportunities for career exploration to help them become successful students and professionals.

### FUTURE HEALTH PROFESSIONALS

For students studying Athletic Training, Health Information Management and Systems, Health Sciences, Medical Dietetics, Medical Laboratory Science, Radiological Sciences and Therapy, Respiratory Therapy and other health-related majors.

### PHARMACY HOUSE

For any students interested in connecting with peers, faculty and staff from the College of Pharmacy through practical experiences within the profession.

### WOMEN IN ENGINEERING

For first-year women in the College of Engineering looking for opportunities to develop competencies directly related to advancement in the field of engineering.

### ALUMNAE SCHOLARSHIP HOUSING

For female students interested in being part of a tight-knit community focused on leadership development, service opportunities and connecting with alumnae in meaningful ways.

### KELLOGG-MOSER FOOD SECURITY AND SUSTAINABILITY

For any students with an interest in generating discussion and change around food production, food security, hunger, food safety, food policy, human nutrition and wellness, human and community development, sustainable agriculture practices, leadership and civic engagement.

### NURSING AND WELLNESS INNOVATIONS

For students interested in exploring the profession of nursing, developing a community among other residents and members of the College of Nursing, and learn the latest trends in healthcare.

### BUSINESS HONORS

For honors business students who want to become successful students and citizens through team building, practical experiences, service learning, academic achievement and leadership initiatives.

### STADIUM SCHOLARSHIP PROGRAM

For students interested in being part of a tight-knit community focused on leadership development, service opportunities and connecting with alumni in meaningful ways.
