These spaces are available for University Housing-affiliated events and meetings and reservation requests from University offices and registered student organizations. University Housing is not able to accommodate requests from groups unaffiliated with the Ohio State University. Please note that University Housing spaces support the residential student experience and are primarily for the use of University Housing and affiliated partners.

University Housing Spaces are provided as-is. We are not able to provide additional furniture or AV equipment beyond what is listed as available for the room. Residence Life staff have swipe access to all centrally reserved University Housing spaces through BuckID.
