

Gateway Loading Zone

April 21 – May 12

Where can I park using my 2-Hour parking pass during the Gateway's move-out?

- Behind Buildings A&B in loading dock areas (cement pads only).
- Do NOT park in any private apartment lots, the Gateway Garage or CampusParc spots. You will be towed or ticketed as a result.
- E. 9th & E. 11th residents will be given a single exit garage pass which allow them to park in the Gateway Garage for free through 11:59 p.m. that evening. Any additional time in the Gateway Garage will be billed at that facility's hourly rate.
