## Position Description

**Classification:** Student Assistant  
**Job Code:**  
**Working Title:** Vet House CA  
**Pay Range:**  
**Position #:**  
**Employee Name:**  
**Department Area:** Residence Life  
**Hours/Shift:** 20 hours per week (average), 9 months

**Summary of Duties:**
The Vet House staff member is an undergraduate, non-traditional or graduate student who contributes to the facility operation, resident support and administration of the Vet House. Reports to the Housing Coordinator for the Hall Complex and Gateway. Specifically, the staff member is responsible for assisting students in crisis, conducting community meetings, planning and implementing cultural, educational, social and informational programs, serving as a resource to residents, performing regular on-call duties, and assisting with the management of their residential community. The staff member will help fostering relationships within the house, connect residents to on-campus resources (e.g. academic advising, tutoring, student financial aid, etc.) and provide academic, programmatic and career development opportunities. The staff member will help aid in the transition process of Veterans and assist in their acclimation to the University. The CA will serve as a liaison and representative to the University and outside constituents. They may represent the Veteran’s House at University events and Veteran functions and work with University staff and donors to arrange house tours if necessary.

### Supervision and Essential Duties:
